

BATTLE-READY, PART II
Ephesians 6:16-17 / Pastor Ben Orchard
May 7, 2017

If you are in a Life Group, take some time to answer these questions before your group meets:

EPHESIANS 6:16-17

What have been some of the greatest challenges to your faith? How have you worked through them?

What has been of greatest help in building your faith?

In what ways does our salvation continue to be an active part of our Christian armor, and not only an event from our past?

Why do you think the word of God is linked to the ministry of the Spirit instead of God the Father, or the Word incarnate – Jesus?

What have you found helpful in becoming proficient in the word of God, both in your understanding and your ability to wield it in your life and the lives of others?

Look at 1 Thessalonians 5:4-8 and Romans 13:11-14. What are three observations of these texts that help clarify or expand your understanding of what Paul is teaching us here in Ephesians?
