

Study Question (Optional – time and desire allowing)

As we celebrate Thanksgiving, look back at Ephesians 2:1-7, and see how many specific things you can find in these verses to be grateful for.

Once you have listed them, take some time to pray through them and thank God for those things.

Looking Closer at the Passage

4-5 What is the difference between love and mercy, and how are each seen in our salvation?

If God is rich in mercy, why do some people still end up going to hell?

What part of the process of salvation in these verses (and v. 6) are we responsible for?

When God made us alive with Christ (v. 5), was He showing grace to us and Christ or just to us?

6-7 Why does Paul say we have already been raised and seated with Christ when we are all still here on earth?

What do these verses say is the reason God made us alive?

How might you model love producing mercy in a difficult situation you are currently in?
