If you are in a Life Group, take some time to answer these questions before your group meets:

MISSIONS SUNDAY (This Sunday's message will not be posted online for the safety of our missionaries.) What stood out to you the most about the ministry of our missionaries from Sunday?

What are some unique ways you can be praying for their family?

Have you ever considered serving as a messenger of the Gospel in a foreign or dangerous place? If so, what influenced your decision? If not, why not?

What missionary is your Life Group praying for this year? What do you know about their ministry?

What are the contexts in your life (neighbors, work, etc.) that bring you the most into contact with those who need the gospel? How can you be strategic with those opportunities?

Name a famous missionary from the past who worked in China and another who worked in India. (Don't feel bad if you need to look it up online...or in a recent VBC newsletter!)

STUDY QUESTION (Optional)

Spokane drug traffickers continue to realize that sex trafficking is a lucrative addition to their business, and our local police departments describe it as a "growing problem" in our area. Become informed about this tragic issue in *our* city and what you can do to help. Consider starting at the website: spokanecares.org.
