EPHESIANS HIS GLORY, OUR RICHES

THE VITAL MINISTRY OF THE HOLY SPIRIT

Ephesians 5:18-21 | Pastor Ben Orchard November 6, 2016

If you are in a Life Group, take some time to answer these questions before your group meets:

EPHESIANS 5:18-21

Why do you think Paul groups the filling of the Holy Spirit with singing and mutual subjection to one another? Why do (should) these three go together?

What is one thing you learned about the Holy Spirit this week or something you haven't thought about in a while?

How would you explain the unique role of the Holy Spirit as distinct from the roles of the Father and the Son?

How should knowing that the Holy Spirit within us is a person, not a force, affect the way we live?

How should knowing that the Holy Spirit has baptized us into the body of Christ affect the way we live?

What are some ways you can take better advantage of the blessing of the indwelling Holy Spirit in your Christian life?

STUDY QUESTION (Optional)

Compare Paul's discussion of the Holy Spirit in Ephesians to Christ's words and prayers about the Holy Spirit in John 16:5-15. What do they have in common? What are some unique emphases in each?
