# EPHESIANS HIS GLORY, OUR RICHES

#### A HIGH CALLING

Ephesians 5:22-24 | Pastor Ben Orchard January 29, 2017

If you are in a Life Group, take some time to answer these questions before your group meets:

### **EPHESIANS 5:22-24 - QUESTIONS TO ANSWER AS A GROUP**

Was Ben's discussion of the role of women in agreement with your previous understanding of the topic? Why or why not?

What is one thing you wish had been addressed or clarified?

How would you explain the biblical concept of submission to someone who strongly disagrees?

How should submission look when a husband is about to make a disastrous financial decision, prefers to let his wife lead, or is abusive?

## QUESTIONS TO POSSIBLY DISCUSS IN SEPARATE MEN'S/WOMEN'S GROUPS

Womer

In your marriage, (or, if single, in marriages you observe) what are the easiest ways to compromise your biblical role as a woman?

What are some specific examples you have seen in other women of God-honoring submissiveness? What made that example stand out to you?

What other questions do you have about biblical submission?

#### Men:

In what ways do you (or, if single, might you) discourage or otherwise hinder your wife's biblical role?

Do you think it is the man's responsibility to instill a submissive spirit in his wife? Why or why not? Should a man ever command his wife to submit to him?

How does understanding the radical nature of biblical submissiveness affect the way you approach leading your marriage (or, if single, how would you encourage your married brothers)?
