DISCUSSION QUESTIONS

If you are in a Life Group, take some time to answer these questions before your group meets:

MISSIONS SUNDAY

How would you summarize the heart of a disciple in one sentence from Sunday's message?

In what ways should we adjust our evangelism style to accommodate those we share with (whether different cultures like Native Americans or different relationships like family, strangers, children, etc.), and in what ways should it always be the same?

Can you think of groups within our city that are not being evangelized or that need to be more effectively evangelized?

How did the message this week encourage you in your prayers and evangelistic efforts leading up to Easter?

How have you sought out or invested in opportunities to interact with unbelievers for the sake of the Gospel? What has been your experience?

Have you had a chance to reach out to the people you've identified for this year's Easter evangelism challenge? If so, how did it go? If not, do you have a plan?
