

If you are in a Life Group, take some time to answer these questions before your group meets:

THE BIG STORY

How did you see God answer our prayers for Easter?

What personally impacted you the most this year as you reflected on the death and resurrection of Jesus?

How would you summarize the story of our world, as revealed in the Bible, to a child? Try to keep your answer to one or two sentences.

How did Ben's message this Sunday on the great story of everything encourage you to grow in your walk with Christ?

What are some of the big opportunities, challenges, or goals facing you this spring that you would like focused prayer for?

Now that Easter is over, what is a strategic way for you to continue reaching out with the Gospel and love to your neighbors or those you were praying for this Easter?
