

THE GOSPEL OF JOHN: *John 3:16-21*

1. Thinking back on this week's sermon, was there anything you heard for the first time or that caught your attention, challenged, or confused you?
2. How does the love exhibited in verse 16 compare to the way our culture seems to promote love?
3. How does God's love for the world compare to His love for those who are saved?
4. In verse 19 it describes how peoples' actions reveal what they love. If someone observed your life, what things would they say you love?
5. From verses 19-21, what is the primary reason people reject God – and how can you use this knowledge as you share the Gospel?
6. How can God love the whole world, yet only save some? See verses such as Romans 1:18-20, Colossians 2:14, and Romans 6:23.
7. How can we know what deeds are evil, what are good, and what may be amoral? Challenge yourself to use at least one reference from Ephesians 5 in your answer.
8. Given the statements in this passage, how do you explain the fact that there are people who don't believe in God whose actions are better than some who claim to love the Lord?

LIFE GROUPS

Even though Life Groups will not be meeting until the start of the new semester after Easter, we will still be making available the weekly Life Group questions. Utilize them for personal study as you continue to worship with the church, even though we are separated by physical distance. We would also encourage you to find ways such as phone calls, texts, and video conferencing to discuss and engage with the questions among your Life Group as a way to maintain fellowship and continue to grow together in Christ despite the current circumstances.

As we all know, life is still happening -- physical distance or not. Stay in contact, pray, identify and meet needs, and be there for one another. Now is when we need it most!
