OUR MISSION

As we proclaim biblical truth, we cultivate relationships that are intimate with Christ, active in the Church, & loving the community.

MEDICAL TEAM

The Medical Team at Valley Bible Church works to meet basic medical needs during worship services and events.

Interested in being on the team? Basic first aid and CPR certifications are required, and can be provided through the ministry. Applicants must pass a background check and be active in the church for at least three months prior to service. Members can expect to serve during one Sunday service per month, plus occasional special events.
