

John: The Gospel of Light and Life, 20:30-31

1. Thinking back on this week's sermon, was there anything you heard for the first time or that caught your attention, challenged, or confused you?
2. If you turned your life into a gospel account, what "signs" (vs 30) would you record as proof of the existence and power of Christ?
3. How would you respond to someone who said that the things John records in his Gospel should not be taken literally?
4. In verse 31 John tells us that he has written these things "so that you may believe", and "that believing you may have life in His name." Does believing the facts of Jesus' life, death, and resurrection always result in a transformed life? Why or why not?
5. What does it look like to have "life in His name" (vs 31)?
6. Does your life look like your answer to question 5, above? If not, why?
7. Name three specific things for which you are thankful to Jesus this week. Share one with your group.

Spend some extra time with your group in fellowship and prayer this Thanksgiving week.
