

GLOBAL OUTREACH SUNDAY

1. What did you find interesting, inspiring, or curious about global outreach through the presentation this week?
2. How can you better pray for global outreach based on what you heard about the unique challenges and blessings faced by this week's global outreach partners?
3. In what ways can you support global outreach from your current, local context?
4. Our speaker talked about the need for praying about the things God is concerned with. Use Scripture to make a list of 3-5 things that are important to God.
5. How can you tell when it is God who is opening doors, as opposed to your own intuition or desires, the advice of others, or circumstance?
6. We learned about the importance of praying, but keeping your work gloves on. How would you respond to someone who asked why God should get the credit for answering prayers if we are the ones doing the work?
7. What connections do you see between Nehemiah 1:1-11 and our study of the book of 1 Corinthians?

Take extra time for fellowship and prayer this week, making sure to leave time to talk about and pray for both this week's speaker and the support of your group's global outreach partner.
