
Week of October 2, 2022

1. Thinking back on this week's sermon, was there anything you heard for the first time or that caught your attention, challenged, or confused you?
2. While literal false idols and sacrifices are not common in our culture, where do you see idolatry prevalent today?
3. How does communion illustrate the person and work of Christ?
4. In verse 16 Paul says that the cup of blessing is a "sharing" of the body and blood of Christ, sometimes alternatively translated as participation or communion. In what way does a believer share the body and blood of Christ?
5. The same word is used in verse 20 to say, "I do not want you to become sharers in demons". Can believers share in demons in the same way they share in Christ? How so, or why not?
6. Paul is clear that believers are not to participate in that which is demonic. Why would it be correct (or incorrect) to use similar reasoning to conclude that unbelievers should not participate in that which is holy?
7. How prevalent are demonic forces in the world today, and how concerned should believers be about them?
8. Verse 22 speaks to the Lord's jealousy. Read Deuteronomy 32:16-25. How does this description of a jealous God match your understanding of the character of God?
9. What lessons did you learn from the sermon or your personal study this week that really hit home for you? What steps are you going to take to apply them?
