

1. Thinking back on this week's sermon, was there anything you heard for the first time or that caught your attention, challenged, or confused you?
2. In this passage, Paul lists nine spiritual gifts (word of wisdom, word of knowledge, faith, healing, miracles, prophecy, distinguishing of spirits, tongues, interpretation of tongues). Choose at least two of these and write a biblical definition for them.
3. Is this list of spiritual gifts meant to be representative of a wide variety of gifts, or descriptive of specific gifts of the Spirit? How many other things beyond this list would you be likely to attribute as spiritual gifts?
4. What is the difference between a spiritual gift and a natural talent or ability?
5. What observation or conclusion can you make based on Paul's attributing gifts with the Spirit (vs 4), ministry with Christ (vs 5), and effects with God (vs 6)?
6. Verse 7 describes spiritual gifts as a "manifestation of the Spirit". From this is it appropriate to say that the Holy Spirit is more present in those who are using a spiritual gift, or less present for those who are not? Why?
7. Describe the difference between wisdom and knowledge (vs 8).
8. Because things that look like spiritual gifts can come from evil (2 Thess. 2:9, Mat. 7:21-23, Ex. 7:11), how can a believer test or know that a gift comes from God?
