

1. Thinking back on this week's sermon, was there anything you heard for the first time or that caught your attention, challenged, or confused you?
2. In this passage, Paul describes the Church as a body. What makes the Church as a body a particularly good metaphor?
3. What other metaphors for the Church do you find in Scripture, and what lessons or observations can you draw from them? See verses like Acts 20:28, Jn. 15:5, Eph. 5:23, 2 Cor. 6:18, etc.
4. What implications are there in the way that Paul describes believers being part of one body as a fact, rather than as a goal?
5. We continue to see Paul's emphasis on unity throughout the passage. Where do you see disunity in the Church today? What about at Valley Bible Church?
6. If things like sleep, diet, and exercise are important elements of stewarding our physical bodies, what are some fundamental elements of the stewardship of the Body of Christ as the Church?
7. How has God equipped you to serve in an essential way at Valley Bible Church? What about in your Life Group?
8. Have you ever felt like your giftings did not fit in the body of your local church? How did this resolve?
9. Based on this passage, what do you think Paul would say to someone who said, "It doesn't matter if I don't go to church this week"? What about, "Church won't function without me if I'm not there this week"?
