

Week of March 26, 2023 | 1 Corinthians 13:8a

1. Thinking back on this week's sermon, was there anything you heard for the first time or that caught your attention, challenged, or confused you?
2. In what ways have your experiences either corresponded with or stood in opposition to the statement, "love never fails" (vs 8a)?
3. If love never fails, are we guaranteed a successful outcome whenever we choose to love? Why or why not?
4. Read each of the following passages and make at least one observation regarding God's unfailing love for each:
 - a. Psalm 33:18-22
 - b. Psalm 136
 - c. Jeremiah 31:2-6
 - d. Micah 7:18-20
5. Since our love for one another should mimic God's love for us, what impact would it have on our relationships (i.e. parents to children, children to parents, husbands and wives, friends, etc.) if we loved each other with never failing love?
6. Read Romans 8:28-39. How does this passage inform your understanding of 1 Corinthians 13:8a?
7. How does the truth that love never fails impact how we, as Christians, deal with death and the loss of loved ones?
