

*Week of April 23, 2023 | 1 Corinthians 14:13-19*

1. Thinking back on this week's sermon, was there anything you heard for the first time or that caught your attention, challenged, or confused you?
2. Reading verses 13 and 14, what observations can you make about speaking in tongues compared to praying in tongues?
3. How can a person make prayer and/or singing more or less edifying for the church (vs 15)?
4. How does the idea of leading the worship team in song during a Sunday service make you feel? Why?
5. Who is the "ungifted" in verse 16?
6. Based on this passage is speaking in tongues something that a person can chose to do (or not do), or is it something that happens to them as a work of the Spirit?
7. Paul stresses the role of edification in spiritual gifts. Why, then, might Jesus have taught us to pray and act righteously in secret (Mat. 6:1-7)?
8. Based on this passage, when might it be appropriate or inappropriate for someone to shout "Amen!" during a worship service?
9. Plan something that would be edifying to someone in your sphere (family, friends, Life Group, co-workers, etc.), and commit to carrying it out this week. Share the results with your group.
