

*Week of April 30, 2023 | 1 Corinthians 14:20-28*

1. Thinking back on this week's sermon, was there anything you heard for the first time or that caught your attention, challenged, or confused you?
2. Where do you see childish thinking or actions in the Church today?
3. Are there ways in which Valley Bible Church needs to mature spiritually? If so, what can be done to pursue such maturity?
4. Verse 21 quotes from Isaiah 28:11-12, where God uses language as part of a judgment. If believers today experience hardships in their life, when should they consider whether those hardships are discipline or punishment from God, if ever?
5. Why does Paul say that tongues is for unbelievers and prophecy is for believers in verse 23, but then seem to say the opposite in verses 24-25?
6. Verse 25 describes some who fall on their face to worship God. What impact does posture have in worship, and how can we better utilize posture in our worship?
7. Based on verse 26, should churches proactively try to include as many people as possible in active roles during a worship service? If so, how?
8. Verse 26 tells us that all things should be done for edification. What other motivations do you find common for those attending worship?
9. How can you prepare to be a blessing to someone during next Sunday's gathering for worship?
