1. Thinking back on this week's sermon, was there anything you heard for the first time or that caught your attention, challenged, or confused you?
2. What explanations have you heard given from non-believers for what happens after we die?
3. Where do you see the doctrine of the resurrection under attack in today's culture?
4. What would some of the implications be if Christ never rose from the dead?
5. What will our resurrected bodies look like? See verses like Genesis 3:4-7, Luke 34:39-43, 1 Corinthians 15:5-53, Revelation 3:4-5, and any others you find relevant.
6. Why is resurrection for others necessary for Christ's resurrection (vs 16)? Wouldn't it be enough that Christ alone was resurrected?
7. How would you respond to someone who used verse 16, together with the observation that all their ancestors are dead, as proof that God does not exist?
8. Without Jesus, why would a Christian who lived an enjoyable life be "most pitied" (vs 19) compared to a non-Christian who lived a life of agony?
9. Read Romans 6:1-11. Compare and contrast what you learn with this week's passage and share one observation or application with your group.
