
Week of Oct. 22, 2023

1. Thinking back on this week's global outreach presentation, was there anything you heard for the first time or that caught your attention, challenged, or confused you?

2. What perception did you have about the spiritual climate in the Balkans before this presentation? How did that view change? (If conversation stalls, consider prompting people to consider how that climate has changed in light of the current wars.)

3. How did the presentations change the way you view missions work around the world?

4. Consider the various roles that are necessary for healthy missions:
 - Missionaries
 - Training agencies
 - Sending teams
 - The Body of Christ worldwide

5. What connections did you make from the presentations this week and what we have been learning in our study of 1 Timothy? (Consider connections between missions and ministry.)

6. Where do you see our speaker "fighting the good fight," as seen in 1 Timothy 1:18?

7. Paul's mission to spread the Gospel to those who have not yet heard (Romans 15:19-21) has yet to be fully accomplished. In what ways can you personally be more involved in missionary efforts, at home or across the globe, to spread the Gospel to those who are still unreached?

8. Spend some time this week talking about VBC's Global Outreach partners (they are listed on the VBC website). What needs do they have? How can you support them materially? In what ways can you encourage them?

9. Devote extra time this week in prayer for our Global Outreach Partners and evangelism across the world.
