

# WALKING WITH GOD THROUGH TRAUMA

Curt Jones / April 7, 2024 / Romans 8:12-30

Week of April 7, 2024

Three decisions will help us walk through trauma to peace:

## Remember who you are (vs. 12-17)

You are a temple of the Holy Spirit

You are a child of God

You are an heir of God

## Remember where trauma begins and ends (vs. 18-25)

Trauma is your present experience

Trauma began with the work of Satan

Trauma ends when we reach our destiny

## Remember what you have (vs. 26-30)

The power of prayer

The miracle of redemption

1. Thinking back on this week's GO Sunday presentation, was there anything you heard for the first time or that caught your attention, challenged, or confused you?

2. How did the presentation change the way you view missions work globally and locally?

3. What connections did you make from the presentation this week and what we have been learning in our study of 1 Timothy?

4. Paul's mission to spread the Gospel to those who have not yet heard (Romans 15:19-21) has yet to be fully accomplished. In what ways can you be more involved in missionary efforts across the globe?

5. How can you be more personally involved in spreading the Gospel in your areas of influence? Be specific!

6. Spend some time this week talking about VBC's Global Outreach Partners (they are listed at [spokanevbc.org/about-us/global-outreach](http://spokanevbc.org/about-us/global-outreach)). What needs do they have? How can you support them? In what ways can you encourage them?

7. Devote extra time this week in prayer for our Global Outreach Partners and evangelism across the world.

*During this first week of the Life Group semester, feel free to spend extra time in fellowship and prayer.*
