Hebrews: Background and Introduction

1 Welcome back to Life Groups! Spend a few minutes this week catching up and getting to know one another. What is something God has been doing in your life recently?

2. Thinking back on this week's message, was there anything you heard for the first time or that caught your attention, challenged, or confused you?

3. There are several possibilities for the authorship of Hebrews. How can we know that Hebrews is God's word even though we don't know who the human author was?

4. Hebrews was likely written around 60 A.D. What was going on in the world at that time in Jerusalem? What challenges would the early church have been facing?

5. In verse 1, who are the "fathers"? Contrast with the audience in verse 2 who is "us"? What is the connection the author of Hebrews is drawing between the two audiences?

6. What is one thing you are applying to your life as a result of studying this passage?
