

# THE SUPERIOR COVENANT

Ben Orchard / March 30, 2025 / Hebrews 8:7-13

*Week of March 30, 2025*

The \_\_\_\_\_ for a Better Covenant (7-9)

1. Thinking back on this week's message, was there anything you heard for the first time or that caught your attention, challenged, or confused you?

2. Verses 8-12 are the longest single quotation of the Old Testament in the New. The author is quoting here from Jeremiah 31:31-34. Do some study on the book of Jeremiah – what was the context of the original writing?

The \_\_\_\_\_ of the Better Covenant (10-12)

• \_\_\_\_\_ (10a)

3. The new and better covenant is contrasted with the old in 8-12 – read through and list out the differences between the two covenants highlighted in this passage. In what ways is the new covenant better?

• \_\_\_\_\_ (10b)

4. In verse 10, God promises to make this new covenant with the "house of Israel." Given that most of us here in the PNW do not belong to that people group, how do we know this new covenant applies to us? See Roman's 11:11-24 and Acts 15:14-18 as a starting place.

• \_\_\_\_\_ (11)

5. According to verse 11, the people of God under the new covenant will not need to teach one another about God for "all will know Me." Does this mean we should not teach the Bible to others? If not, what does this verse teach us?

• \_\_\_\_\_ (12)

6. Verse 12, speaking of God's people, teaches us that God will "remember their sins no more." Does this mean God forgets things? If not, what does it mean? What implications does this truth have for our relationship with God?

Conclusion (13)

7. We should not walk away from a study of any passage of Scripture without it impacting our lives in some way. What is one way your thinking and/or actions have changed as a result of studying this passage?
