Week of April 27, 2025

1. Thinking back on this week's message, was there anything you heard for the first time or that caught your attention, challenged, or confused you?
2. As we start Hebrews 10, take a moment to reflect on the previous two chapters. Summarize chapter 8 and 9 in your own words – ideally in a single sentence for each. What was the author's main point?
3. In verses 1-4, the author explains that animal sacrifices were never sufficient to take away sins. Why, then, did God set up such an elaborate system of sacrifices for sins? What was the purpose?
4. In verse 10, we are told that "we will have been sanctified" through Christ's sacrifice. Two questions:
 - a. What does the word "sanctified" mean in this context?
 - b. This verse is phrased in a very specific way – what is the significance of the grammar and/or word choices in this verse?
5. Given the definition of the word sanctified used in verse 10, what is the meaning of verse 14? Is the author contradicting himself?
6. Verses 17-18, and verse 18 in particular, contain a powerful promise to believers. How should this promise affect the way we treat those who have sinned against us? Is it ever appropriate to levy consequences against someone we have forgiven? Defend your answer with scripture!
7. We should not walk away from a study of any passage of Scripture without it impacting our lives in some way. What is one way your thinking and/or actions have changed as a result of studying this passage?
